Roast & Mashed Potato

Steamed Chocolate  
Pudding with  
Chocolate Sauce

Hadleigh Community Primary School run a daily Lunch Club for our Nursery Children

It runs between 11.30 a.m. and 12.30 p.m. which means that it can be added to either the morning or afternoon Nursery sessions.

The club is led by appropriately qualified staff who supervise the children choosing & collecting their lunch from the main hall, then sitting down to eat it in a separate classroom, followed by play in the Nursery area.

Our aim is to see the children enjoying the experience of eating their lunch with friends, as well as playing with them, and also preparing them for when they enter the school in Reception.

The Lunch Club costs £4.75 per day which includes the cost of a healthy, nutritious school meal. However, if you wish your child to bring a packed lunch, the cost is £3.75.

Please note you cannot use your 30 hour funding entitlement to pay for the Nursery Lunch Club.

If you are not already aware, Hadleigh Community Primary School has run its own highly successful catering service for around 10 years. We have a high take up and are able to offer a varied menu, ensuring that all food served is healthy and nutritious and meeting Government guidelines.

We run a 2 week menu and a copy of this can be found on the reverse of this booklet.

Did you know – that when your child moves into fulltime school, they will be entitled to a free school meal every day up until the end of Year 2, under the Governments ‘Universal Infant Free School Meal’ initiative.

At HCPS we encourage parents to provide a healthy packed lunch which supports children to develop good eating habits from an early age.

Healthy options which include fruit and vegetables and food with less sugar and salt content should be promoted. In line with the school’s policy, please avoid including sweets or sugary drinks in lunch boxes. Water will be provided for all and milk available for those taking a school meal. Please note we are a nut free school.

We have limited capacity so there is a maximum of 24 places available. You can chose how frequently your child attends, all places are available subject to availability. In the event that the club is oversubscribed, priority will be given to children requesting a higher number of sessions.

It is important that you feel sure your child is ready for the longer session/s before application is made for a place.

In order to book your child's place on the club, you must log onto our Schools Gateway system, which will allow you to book the sessions and pay for them as you go along – please ask the office team for assistance if you have not used this before.

Any questions... we are here to help you. Please do ask the office team by phone, dropping in or by email to: [AskUs@hadcps.uk](mailto:AskUs@hadcps.uk)
