

Nursery Newsletter Half Term 5

We hope you all had a good Easter break. This half term we are learning all about growing. We will be thinking about frogs and the life cycle of a frog. We will also be learning about farms, farm animals and vegetables that grow on farms. We will also be planting some seeds and some vegetables in our garden and will hopefully grow some sunflowers to feed the birds later on in the year. In music we will be singing Nursery rhymes and action songs and in P.E. we will be practising some races.

Water Bottles!

Snack money for this half term is now due please-£1/£2 a week depending on hours. Please make sure your child has a water bottle (**with water in please**) every day. These will be needed more now the weather is warmer.

Warmer Weather

As we are now in the Summer Term, can you please ensure your child has sun cream applied (if necessary) **before** Nursery and they have a named sun hat with them.

Please remember no open toe or heel ed shoes as these are impractical for outdoor play, climbing and P.E.

Thank you.

Forest Fun Clothes

Our Forest School sessions will continue as normal. Although the weather will hopefully be warmer, please bear in mind that it is **significantly cooler in the woods**. so please remember a jumper and coat. **We would recommend:**

- **Long trousers** to minimise scratches, stings and possible marks from tree and rope climbing. We will happily change your child if they need to come in wearing shorts (or change them after their session), just pop a pair of trousers into their bag.
- A pair of **old trainers** will be fine unless it is raining.
- **Old clothes**— remember we will still get muddy (and smelly!)

A Few Reminders:

*Please continue to encourage your child to wash their hands thoroughly and use the hand sanitisers around the school.

*Please continue to use Tapestry to communicate with us about any questions or sharing of information about your child. Remember we love to see any photos and videos from home too!
