

A heartfelt thank you!

With the first steps out of lockdown now being taken we realise how much we have to be thankful for this year:

Thank you for all your support so far. We have been able to continue our activities through a very difficult time thanks to you and our local businesses!

Thank you if you support our lottery

Thank you if you supported our Christmas hampers.

Thank you if you supported our Christmas Card Project.

Thank you if you supported our Easter Cake Competition.

Thank you if you donated books

Thank you if your business has sponsored us this year.

Please continue to support our projects. Every penny we raise goes back to our children to help their education and their enjoyment of school.

How we have supported our school.

Did you know that the HSA has committed to raising £6000 a year for Hadleigh Community Primary School? Last year we fell a little short as fundraising was so restricted but we handed over £4000 in September to be distributed as needed by the school. This year, determined not to be beaten we have just presented a cheque for the full £6000!

We have raised funds to support our SEND team, purchased extra equipment in years 3-6, we have donated over 400 books to the school libraries as well as a series of over 40 phonics books to year 2. We have also made a large donation towards purchasing a new stage for all children to enjoy when life gets back to normal.

In addition to the financial support we also provided our children's Christmas "Sweet Treats" during the last week of term as well as their class decorations. We were also able to provide and serve their refreshments after their wonderful Skip into Spring event. It was so lovely for us to be allowed back onto the premises to help out!
