

HSA Lottery

Dear Parents & Carers,

For the last year, the HSA have relied heavily on your support and generosity to enable us to continue to raise funds for the school. As the foreseeable future is still uncertain, we will continue to rely on the support of parents, carers and families to help us reach our donation target for the school for 2021-2022.

The HSA lottery has been a huge success over the past year enabling us to support the school in many different ways.

Here's how it works

- ✓ Lottery numbers are £1.00 per number per month (you will be required to pay 12 months up front which will cover September 2021 until August 2022)
- ✓ Parents & carers can pay via School Gateway:
Make your payment of £12.00 via the School Gateway link by Thursday 30th September 2021
- ✓ If you would like multiple numbers, you can pay multiple times on school gateway
- ✓ Allocated numbers will be held by the HSA and the school office. Please speak to a member of the team if you would like to know your number.
- ✓ 1st & 2nd prize winners will be randomly picked each month to win a cash prize (Prize value will be confirmed on 30.09.21)

Hadleigh Community Primary School desperately need your support with fundraising this year and we hope you can help us by joining the HSA lottery.

Thank You & Good Luck X
