

Tapestry Acceptable Use Policy

*This policy needs to be read in conjunction with the Safeguarding Policy.
The terms of the Safeguarding Policy are to take precedence over the
guidelines set down in any other policy.*

The terms of this agreement relate to the access and use of the online learning journal, Tapestry. This online journal will be created and updated by the EYFS staff of Hadleigh Community Primary School. In order for the school to provide parents with access to Tapestry they must first agree to the Acceptable Usage Policy detailed below through their school Arbor account. Permissions are granted per pupil, and only require updating in the event that they have changed.

- I agree to have my child's picture used on Tapestry. (Children may appear in group photos)
- I will not copy photos from Tapestry.
- I understand that I should respect the opinions of others and that any communications should be courteous and respectful to all.
- I agree not to share my username or try and access other people's accounts.
- I understand that it is my responsibility to inform the teachers if my contact details change.
- I understand that failure to comply with this policy may result in my access to Tapestry being withdrawn.
