

Extended School Clubs

Early Birds & Owls

Hadleigh Community Primary School run daily clubs to extend the school day for our parents & carers who need to drop their children off earlier or pick up later than the usual school day.

These clubs are for all children who attend the school from Nursery up to and including Year 6 and offer childcare from 7.40am to 5.45pm every weekday during term time.

The clubs are split into year groups, Nursery to Year 2 (18 spaces), Year 3 to Year 6 (20 spaces) and the children are supervised by staff appropriately qualified.

Our aim is to help our parents & carers who are working , studying or need some extra time during a school day, by providing good quality and affordable childcare.

At the clubs the children play games, can do craft activities and enjoy some quiet time with friends. We do not provide food for the children at these clubs, but you are welcome to send your child in with healthy snacks or a packed tea.

The club starts at 7.40am and all the children are met at this time at the main blue school gates. All the children must arrive at this time.
